I could meet on Thursday, March 1. I note your use of the term "GMO" in the subject line. We should discuss this mislabeling which misleads consumers not to mention those not trained in the appropriate sciences!

Hello,

I would have liked to attend but unfortunately I will be otherwise engaged for this evening. Anyway, I wish you a successful meeting and a nice evening in Brussels.

Kind regards,

3) have you been to [REDACTED]? [REDACTED] maybe my boss, [REDACTED], Director in charge of WTO overall (negotiation and litigation) will attend. My turn.

Shall we plan on starting the biotech discussion at 9:00am Feb. 28 at Rue Joseph II, 79?

Not sure what you might have in mind on [REDACTED]. Our understanding is that at the moment the main [REDACTED] issue is [REDACTED] which [REDACTED] and [REDACTED] are discussing.

[REDACTED] and I did discuss the possibility of getting together. If we do not use all the

time on Thursday for biotech perhaps we could meet on Thursday.

We would certainly like to dine under the guidance of a native. Perhaps the evening of Feb. 28 after our biotech meeting?

[REDACTED]

very glad that the meeting is confirmed.

we have booked a meeting room from 9am till 6pm. The meeting will take place Rue Joseph II, 79 (very close to DG Agri, a parallel street to Rue de la Loi, where our anti-dumping services are located).

We may indeed spend some time on [REDACTED], if that is agreeable to you. I also copy [REDACTED], [REDACTED] and [REDACTED], to make sure that we fully benefit of your presence in Brussels.

If you have time available, maybe dinner when you are here ? Being the native...

regards

[REDACTED],

Your message is well timed. We have just learned that we can confirm the meeting in Brussels on Wednesday, Feb. 28 with continuation on MArch 1 if warranted. Please let us know the time and place of the meeting.

We will arrive in Brussels Tuesday morning. I will stay until Friday morning. Whatever time we don't use on biotech I will use for meetings on other issues with Commission officials. We look forward to the meeting.

I will be in Geneva next week (most of the time with [REDACTED] actually), and I will have limited access to my e-mails (no [REDACTED] at the Commission...).

Could I therefore ask you to communicate directly with my deputy, [REDACTED], or the case-handler, [REDACTED] for all matters relating to our planned meeting on GMO ?
